In Indiana, HAVA Section 101 funds are set aside for the administration of the Help America Vote Act; Training, Outreach, and Education activities intended to improve the administration of federal elections; and for voting systems reimbursement (the latter activity taking place following the full implementation of HAVA). During the 2005 calendar year, these funds were used for the following activities:

- Administration of HAVA (incl. salaries, office supplies and equipment, etc.)
- Training, Outreach, and Education (incl. event participation, election conferences, reports, printing training materials, meetings, and the evaluation of new election concepts and practices)
